Projects

PORTFOLIO WEBSITE
Fully Responsive Static Webpage (https://jamesedwardclarke.github.io/**)**
- Built a front-end webpage that showcases some of my most recent coding projects and current technology stacks.
- Optimized the webpage to be fully responsive on all screen sizes using vanilla HTML and CSS.

Experience

MIDLANDS ROLLER ARENA   Leicester, UK
Front Office Operator and Customer Service Representative   June 2022 - August 2022
- Helped develop and improve pre-existing company website to provide a more cohesive and user-friendly customer experience.
- Composed promotional emails to advertise seasonal events.
- Created unique digital content to be published to various social media outlets.
- Helped front desk operatives tend to customers with outstanding service and efficiency.
- Developed new business strategies that allowed the company to serve more customers in a shorter time period.
